

# Just Launched

## STORMY GALE

Calvin Beal 30; Hull built and finished as a lobster boat by S. W. Boatworks, Lamoine; for a fisherman from Vinalhaven. She is powered with a 355-hp John Deere with a 2-inch Aquamet 22 shaft and a 28 x 34.5 with a #5 cup propeller. Her speed on sea trials was 33 mph.

Builder's comments: This is the first 30

Calvin Beal out of the mold. We used the 34 CB top and shrunk it to fit. We are very happy with its appearance and performance. This boat was built for hard working lobster fishing, so it was a lot heavier than it could have been. It was very stable and comfortable under foot. She went very well.

## PROVIDER II

40 Young Brothers; hull (solid) built by SW Boatworks, Lamoine; finished out as lobster boat by David Schlaefer of Bernard for fisherman from Lamoine. She is powered with a 405-hp Cummins, with a 2-inch SS shaft and boxes from R. E. Thomas and 30-inch square four-blade propeller. She also has 14" hauler, class 1 steering, pacer pump, 1 1/2 Johnson washdown. Metal fabrication was done by Kennedy Marine, Nautilus and Whitetail welding. Electronics:

radar, chart plotter & bottom finder and GPS. Controls: Kobelt. Fuel Tank: 2- 180 gallon fiberglass tanks. Speed: 21 knots.

Owner comments: "I absolutely love my new boat and would like to thank David Schaefer and his crew for doing a fabulous job. Thank you to Stewart Workman and SW Boatworks for doing a great job with the Young Brother molds and hull. Thank you to Hamilton Marine for all the supplies.

## ELEANOR CROSS

**HULL:** 34 Calvin Beal, and finished by SW Boatworks of Lamoine for a customer from Scituate, MA. **ACCOMMODATIONS:** V-berth, head with shower, gear locker, down and galley (Force 10 propane stove top and oven) up in shelter all finished in cherry. **POWER:** QSB 6.7 480-hp Cummins; **SHAFT:** 2" Aquamet 22; **PROPELLER:** 28 x 24-inch 4 blade; and **SPEED:** cruise 16 knots and 20 knots tops.
